On July 31, JIU celebrated the 2015 Fall Graduation Ceremony in Mizuta Memorial Hall at the Togane Campus in Chiba Prefecture. The event was attended by a large number of guests and parents from overseas who gathered to celebrate the departure of the new graduates.

Chancellor Dr. Noriko Mizuta bade farewell: "I wish you to contribute to human prosperity, peace and maintenance of global integrity, which would be attained with broader perspective and beyond national interests." Yinxue Jiao, a Chinese graduate student, delivered a speech in reply: "We, the new graduates, would like to make a significant contribution to the international community by using knowledge, cross-cultural understanding and other assets we have acquired through our learning at Josai International University.
