

Josai I-House Wins Architectural Awards Overseas

The Josai I-House Togane Global Village, located on JIU's Chiba Togane Campus, has received five architectural awards overseas.

Last year, the Josai I-House Togane Global Village received a 2016 Good Design Award from the Japan Institute of Design Promotion. This year, the Josai I-House has done it again, winning the following awards outside of Japan:

○The Chicago Athenaeum International Architecture Awards 2017 (U.S.A.)
