Mailing address

## Education

Current university

Area of study / major

Current academic year

## English Proficiency

Reading  Poor  Good  Excellent

Listening  Poor  Good  Excellent

Speaking  Poor  Good  Excellent

Writing  Poor  Good  Excellent

## Medical / Dietary Concerns

Please use the box below to indicate any medical conditions (drug allergies, chronic diseases, etc.) or dietary requirements (food allergies, vegetarian diet, etc.) about which ASP program directors should be aware.

## Course Selection Instructions (*please read carefully*)

**For Students:** You may take up to one course from Group A (9:30 am – 12:00 pm) and one course from Group B (1:30 pm – 4:00). However, since your first choice of courses may become unavailable due to under- or over-enrolment, please rank your preferences numerically, using “1” to indicate your first choice of courses in each group, “2” to indicate your second choice of courses in each group, and “3” to indicate your third choice of courses in each group.

Students should be sure to confirm in advance any potential issues regarding transferring credits from the ASP to their home universities by consulting with a local ASP representative. Contact information for local ASP representatives and full course descriptions can be found on the website at [www.asp2013.com](http://www.asp2013.com).

**For Administrators:** Course assignments will be done on a “first-come, first-served” basis, so it is important to enter a registration number in the top left corner of the first page on this form to indicate the order in which applications are received. The first student to submit an application should be assigned the number “1”, the second should be assigned the number “2”, and so on. More information about registration details and cancelation policies can be found on the ASP website.
