Admission for April 2027

Student Application Guidelines for the Japanese Studies Program

Important Notes for Entry/Completion

- 1) Please read through the entire document thoroughly at the beginning. Then, carefully review the necessary sections again to ensure there are no mistakes or misunderstandings.
- 2) Please use a black ballpoint pen for any sections that require filling out in the application documents (pens that erase due to friction heat are not acceptable).
Please do not fill in the fields marked with an asterisk (*).

※In accordance with the enforcement of the Act on the Protection of Personal Information, our university is reviewing the methods of use and management of students' personal information within the institution and is making every effort to handle such information with the utmost care.

The information provided in the documents submitted for the entrance examination will be used as follows.

1. For the preparation of materials related to the entrance examination.
2. For various communications with successful applicants and admitted students.
3. For the purposes of student record management, academic guidance, and student support services after enrollment.
4. For the purpose of notifying the applicant's current or former school of entrance examination results, when necessary for educational purposes.

Please note that certain aspects of the above operations may be entrusted to external contractors. When doing so, we ensure that only those who maintain an adequate level of personal information protection are selected.
