

This image shows a blank sheet of lined paper, likely from a notebook or a page from a textbook. The paper is white with horizontal ruling lines. On the right side, there are numerical markers indicating the line numbers: 30, 35, 40, 45, 50, 55, and 60. The lines are evenly spaced, and the markers are placed at regular intervals along the right edge. The paper is otherwise empty, with no text or other markings.
