Dear Dr. Sugibayashi:

I was delighted to hear that Josai International University is celebrating its milestone thirtieth anniversary this year and is also looking forward to the opening of a new building at the Tokyo Kioicho Campus and to the establishment of graduate schools in both nursing and physical therapy.

This is wonderful news, and I would like to extend my warmest congratulations, on behalf of all of us at California State University, Long Beach (CSULB), to you and to the entire JIU community.

It has been exciting to see the growth of Josai International University over the past three decades and to know that JIU now has the distinction of being one of Japan's leading international comprehensive universities. Our faculty, students, and alumni are inspired by your remarkable success and proud to be able to call Josai International University a friend and partner.

Please know that as Josai International University moves into a new era of excellence and strives to build character through learning, you will have the enthusiastic support of your many friends and admirers here at CSULB.

Once again, congratulations and best wishes for continued success!

Sincerely,
