To: Chancellor Akira Uehara

Josai International University

September 30, 2022

Dear Chancellor Akira Uehara

On behalf of Hsiuping University of Science and Technology please take our preliminary greetings in regard to the anniversary of Josai International University. Congratulations on your 30th anniversary!

As you know in 2015, JIU and HUST had signed the mutual exchange agreement. And for the past 8 years, the relationship has been making remarkable progress with many personal, academic, students' exchange programs. I heartily wish the friendship between JIU and HUST will continue and make progressively more advances in the future.

Prosperous fortune for your honored school, sound health for the faculty, and everything goes well as hoped.

Sincerely yours,

Dr. Jian-Shen Chen

President

Hsiuping University of Science and Technology
